OPENING MINDS, BUILDING FUTURES

LIPS DL – Centre for Advanced Research & Development
in association with European International University

ANNOUNCES

MS BY RESEARCH-2 YEAR MINIMUM

- . Aerospace Engineering
- . Aeronautical Engineering
- . Mechanical Engineering
- . Electrical Engineering
- . Computer Science Engineering
- . Advance Cyber security
- . Advanced Environmental Monitoring
- . Civil Engineering
- . Special Education
- . Business and Corporate Management
- . Language
- . Arts & Science

IN ASSOCIATION WITH

**EUROPEAN
INTERNATIONAL
UNIVERSITY, FRANCE**

ANNOUNCES

ADMISSION OPEN 2021-22

Ph.D. in Mechanical

Potential Research Area:

- ✓ Energy storage
- ✓ Cryogenics
- ✓ Fluid flows
- ✓ Heat exchangers
- ✓ High field magnets
- ✓ Concrete structures
- ✓ High temperature superconductivity

**4 PhD
Openings**

and other related areas.

Dr. Abhinav Kumar, PhD
Head-Mechanical Engineering

Earn your International Degree at LIPS

Stay ready for the Future!

Pursue an International Ph.D in India!

LIPS DL-Centre for Advanced Research
& Development in Association with
European International University, France

Ph.D Programs Available

- Fuzzy-Based Commutation
- Power Factor Correction
- Power Quality Improvement
- Artificial Intelligence
- Electric Vehicles
- Automation and Control
- Machines and Drives
- Power Converters

Under the Guidance of
Dr. P. Ebby Darney
LIPS Research Vice President &
Research supervisor
